Responsibilities: Collaborated with Counseling Center to promote healthy mental status. Created and presented workshops on psycho-educational mental health for university students. Focused on primary prevention for college students on campus.

RESEARCH EXPERIENCE

- 2015-2016 **Research Assistant**
College of Liberal Arts, The University of Mississippi
Supervised by Stefan Schulenberg, Ph.D.
12 months
Hours: 10 hours per week
Responsibilities: Reviewed previous literature on college campus shootings. Created an active shooter concern survey. Conducted a review on meaning and sexual assault. Actively collaborated with University of Mississippi's Medical Center to understand how meaning in life influences smoking cessation for individuals with serious mental illness.
- 2013-2014 **Graduate Assistant**
School of Behavioral Sciences and Education, Penn State Harrisburg
Supervised by Marissa Harrison, Ph.D.
10 months
Hours: 10 hours per week
Responsibilities: Collaborated on various psychological research studies. Created poster presentations for sexual assault perceptions and female serial killers. Conducted literature review on mental health stigma and sexual assault myth acceptance in college students. Compiled questions for both surveys and input questions online.
- 2012-2013 **Graduate Assistant**
School of Behavioral Sciences and Education, Penn State Harrisburg

Supervised by Chiara Sabina, Ph.D.

12 months

Hours: 20 hours per week

Responsibilities: Conducted an extensive literature review on the influence of cultural factors on dating violence and other forms of victimization in Latino adolescents. Conducted an extensive literature review on dating violence and sexual assault services on higher education institutions. Compiled questions for campus liaisons regarding campus services. Produced a written manuscript on study findings and past literature for both studies.

2011-2013

Memory Beliefs Undergraduate Research Project

Department of Social Ecology, University of California, Irvine

Supervised by Elizabeth Loftus, Ph.D

26 months

Hours: 10 hours per week

Responsibilities: Examined how memory beliefs in repression and trauma have changed within the past twenty years. Compiled questions from a number of different surveys to form a cohesive survey to determine which factors are relevant. Conducted statistical analyses and collaborated to produce a written manuscript on research findings.

2011-2012

Research Assistant Team Member

Department of Education, University of California, Irvine

Supervised by Lindsey Richland, Ph.D. and Michael Martinez, Ph.D

12 months

Hours: 6 hours per week

Responsibilities: Tested children from different schools in the Orange County School District on their math and spatial abilities. Conduct experiments on the effects of testing stress on undergraduate college participants. Met weekly for one hour to discuss research projects conducted in lab. Conduct a literature review.

2010-2012

Research Assistant Team Member

Department of Social Ecology, University of California, Irvine

Supervised by Elizabeth Loftus, Ph.D.

2 years

Hours: 10 hours per week

Responsibilities: Assisted at experimental lab administering participants. Edited, compiled proper paperwork for the lab director. Collected and analyzed data from the experiment. Studied past experiments extensively to trace the trend of different facets of memory throughout research literature.

OUTREACH EXPERIENCE
